REQUEST FOR APPROVAL OF MINOR

Respected Sir,

We are writing to request approval for the 24-credit Minor that we are currently pursuing alongside our respective majors.

As discussed, you had informed us that students pursuing a 24-credit Minor would be required to complete 88 core credits..

We are pursuing the 24-credit Minor, consisting of 5 courses and 1 Core Integrated Project. The courses for our Minor have already been approved. The details of the three students are provided below:

Student	**Programme**	**Student ID**	**Courses Completed**	**Currently Undertaking**	**Remaining**
Prathiyush Srinivasan	CDS	240200102	1.Genetics (4 credits) 2. Bioinformatics (6 credits)	1. Proteins and enzymes (6 credits) 2. Applied biology (4 credits)	1.Molecular Biology 2.Interdisciplinary Project (3 credits)
Saaniya Ashraf	CDS	240200055	1. Environmental Biotechnology(4 credit) 2. Immunology(4 credits) 3. Bioinformatics (6 credits) 4. Genetics (4 credits)	1. Proteins and enzymes (6 credits)	1. Molecular Biology 2.Interdisciplinary Project (3 credits)
Manaswini S	CS	240200019	1. Cell Biology 6 credits) 2. Environmental Biotechnology (4 credits) 3. Immunology (4 credits)	1. Proteins and enzymes (6 credits)	1. Molecular Biology 2.Interdisciplinary Project (3 credits)

We will fulfil the required 88 core credits alongside the 24 Minor credits, as per the credit structure discussed.

We therefore kindly request you to approve our Minor under the above-mentioned credit structure.

Thank you for your consideration.
